

# New Pull Tabs Print Vendor

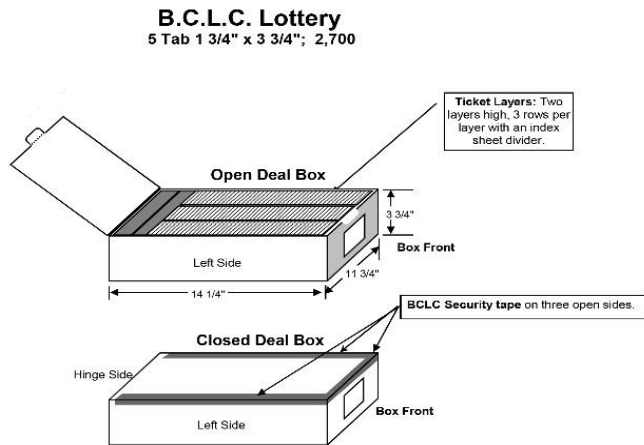

Effective June 2018

BCLC has engaged a new vendor to support with the printing of Pull Tabs tickets; **\$1.00 One Nightstand** and **\$0.50 Monkey Business** will be the first tickets issued by this vendor.

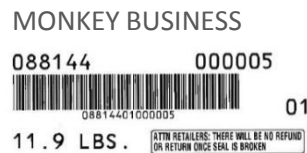

- All Pull Tabs tickets will offer the same high level of integrity as Hospitality retailers are accustomed to.
- Pull Tabs tickets will continue to include Alpha Security Codes and Win Codes to verify wins \$20 and over. See *back* for a sample of the new vendor's Win Code Sheet.
- Getting familiar with the look and feel of Pull Tabs as you load them into the Pull Tabs Vending Machine will help during the validation process. See *back* for validation process.
- **Differences you will see include:**

1. The box they arrive in...

**To open:** Score along the seams covered with the BCLC security tape.

2. The shipping label...

No yellow highlight

Tentative Launch Date: June 4, 2018

# New Pull Tabs Print Vendor Validation Refresher & Sample Win Codes Sheet

## WHEN VALIDATING A PULL TABS TICKET:

- Only validate Pull Tabs purchased **from your location**
- Only pay Pull Tabs ticket winnings **during a player's visit at your location**
- You must pay the top prize level of any Pull Tabs sold at your location

## STEP 1: CONFIRM THE PRIZE AMOUNT

Check the prize amount indicated in the winning window on the front of the Pull Tabs ticket.

## STEP 2: MUST PAY THE PRIZE

Pay the corresponding prize amount.

## STEP 3: DEFACE THE PULL TAB

Cross out the back of the winning Pull Tabs with a permanent marker indicating it has been paid.

WINCODE FOR MONKEY BUSINESS  
 Validate winning tickets with unique WinCode #'s below Prize \$  
 Pull Tab Code: 8151                      Pull Tab Name: MONKEY BUSINESS  
 Pull Tab Game No. XXXXX  
 \$150 (1)    \$100 (2)  
 348281      378861  
                  **146735**

Remember to always check the **Win Code Verifying Sheet**, for prizes \$20 and over, to confirm the Pull Tab is from your location.

Win Code Verifying Sheets are provided in each box of Pull Tabs.
