

Web Cash at Select RSG Locations

Effective October 15, 2018

Starting October 15, 2018 the sale of Web Cash will be available at 71 RSG locations. Web Cash is a PlayNow product driving a different type of player into retail locations.

What is Web Cash?

- Web Cash is a \$25 voucher for deposit to a PlayNow player account allowing players to wager on all PlayNow products including ePoker, eCasino, Sports, eBingo and Lottery.
- By purchasing Web Cash at retail, existing PlayNow players get the benefit of using cash to load their online wallet, an option not currently available on PlayNow. Some players prefer using cash or don't want to use their credit card for gaming expenses.
- PlayNow players are faced with potential credit card transaction fees when loading money into their online wallet, Web Cash offers an alternative deposit method without transactional fees.
